AM I ELIGIBLE?

You may qualify for the pension exemption, the property tax credit, or both. You do not have to qualify for both of these to use this form.

FORM MO-1040P

Information To Complete Form MO-1040P

Name, Address, Etc.

If all information is correct on the preprinted label (if available), attach the label to the Form MO-1040P and print or type your social security number(s) in the spaces provided. If you did not receive a book with a peel-off label, or the label is incorrect, print or type your name(s), address, and social security number(s) in the spaces provided on the return.

If the taxpayer or spouse died in 2005, check the appropriate box.

Enter your county of residence, and the number of the public school district in which you reside. See the school district listing on pages 7 and 8.

65 or Older, Blind, 100 Percent Disabled, Non-obligated Spouse

If you or your spouse were **65 or older** or **blind** and qualified for these deductions on your 2005 federal return, check the appropriate boxes.

You may check the **100 percent disabled** box if you are unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or has lasted, or can be expected to last, for a continuous period of not less than 12 months.

You may check the **non-obligated spouse** box if your spouse owes the state of Missouri any child support payments, back taxes, student loans, etc., and you do not want your portion of the refund used to pay the amounts owed by your spouse. The Internal Revenue Service (IRS) is not a state agency and debts owed to the IRS are **excluded** from the non-obligated spouse apportionment.

Line 1 — Federal Adjusted Gross Income

If your filing status is "married filing combined," and both spouses are reporting income, use the Worksheet on page 4 to split your income

between you and your spouse. The combined income for you and your spouse must equal the total federal adjusted gross income reported on your federal return.

Splitting the income reduces the rate at which your combined incomes are taxed and allows you to claim non-obligated spouse so you will not be held responsible for your spouse's debts to Missouri.

For all other filing statuses, use the chart below.

FEDERAL FORM	LINE
1040	Line 37
1040A	Line 21
1040EZ	Line 4

Line 2 — State Income Tax Refund

Subtract any state income tax refund included in your federal adjusted gross income (Federal Form 1040, Line 10). Attach a copy of your federal return (pages 1 and 2).

Line 5 — Income Percentages

Complete the chart below if both spouses have income:

<u>Yourself</u>		
Line 3Y		_ divided by
Line 4	= _	
<u>Spouse</u>		
Line 3S		divided by
Line 4	=	

The total entered on Line 5 must equal 100 percent — round to the nearest whole number. **Note:** If one spouse has negative income and the other spouse has positive income (example: your income is -\$15,000 and your spouse's income is \$30,000), enter 0% on Line 5Y and 100% on Line 5S.

Line 6 — Filing Status and Exemption Amount

Check the box applicable to your filing status. You must use the same filing status as on your Federal Form 1040 with two exceptions:

Box B must be checked if you are claimed as a dependent on another person's federal tax return and you

checked either box on Federal Form 1040EZ, Line 5 or you were not allowed to check Box 6a on Federal Forms 1040 or 1040A.

If you checked Box B, enter "0".

Box E may be checked **only if** all of the following apply: a) you checked Box 3 (married filing separate return) on your Federal Form 1040 or 1040A; b) your spouse had no income and is not required to file a federal return; and c) your spouse was claimed as an exemption on your federal return and was not a dependent of someone else.

Only one box may be checked on Line 6, Boxes A through G.

Enter on Line 6 the amount of exemption claimed for your filing status on Boxes A through G. The amounts are listed on Form MO-1040P.

Line 7 — Tax From Federal Return

Use the chart below for Federal Form and Line Numbers to locate your tax on your federal return. This amount is limited to \$5,000 for single filers and \$10,000 for combined filers.

Do not enter your federal income tax withheld as shown on your Form W-2(s) or federal return.

If you have an earned income credit, you must subtract the credit from the tax on your federal return. If a negative amount is calculated, enter "0".

1040	Line 57 minus Lines 45 and 66a
1040EZ	Line 10 minus Line 8a
1040A	Line 36 minus Line 41a and any alternative minimum tax included on Line 28
1040X	Line 8c minus Line 13c

Line 8 — Standard or Itemized Deduction

Standard Deductions: If you claimed the standard deduction on your federal return, enter the standard deduction amount for your filing status. The amounts are listed on Form MO-1040P, Line 8.

If you or your spouse marked any of the boxes for 65 or older, blind, or claimed as a dependent, use the chart below.

Federal Form	Line Numbers
1040A	Line 24
1040	Line 40
1040X	Line 2

Itemized Deductions: If you itemized on your federal return, you may want to itemize on your Missouri return or take the standard deduction, whichever results in a higher deduction. If you were required to itemize on your federal return, you must itemize on your Missouri return. To figure your itemized deductions, complete the Form MO-1040P, Page 4. Attach a copy of your federal return (pages 1 and 2) and Federal Schedule A.

Note: If you did not check either box on Federal Form 1040EZ, Line 5, enter \$5,000 if single or \$10,000 if married.

Line 9 — Dependents

Do not include yourself or your spouse as dependents.

Multiply the total number of dependents you claimed on your federal return by \$1,200. Only include dependents claimed on Federal Forms 1040A or 1040, Line 6c.

Attach a copy of your federal return (pages 1 and 2).

Line 10 — Pension Exemption

If you received a pension, complete the pension exemption worksheet on Form MO-1040P, page 3 to see how much of your pension may be tax free. Attach a copy of your federal return (pages 1 and 2) and all Forms 1099(s), 1099-R(s), and W-2P(s).

Line 11 — Long-term Care Insurance Deduction

If you paid premiums for a qualified long-term care insurance in 2005, you may be eligible for a deduction on your Missouri income tax return. Qualified long-term care insurance is defined as insurance coverage for a period of at least 12 months for longterm care expenses should such care become necessary because of chronic health conditions and/or physical disabilities including cognitive impairment or the loss of functional capacity, thus rendering an individual unable to care for themself without the help of another person. Complete the worksheet below only if you paid premiums for a qualified long-term care insurance policy; and the policy is for at least 12 months coverage.

Line 16 — Missouri Tax

If your Missouri taxable income is less than \$9,000, use the tax table on Form MO-1040P, page 3 to determine your tax. If your Missouri taxable income is more than \$9,000, use the worksheet below the tax table to calculate the tax. A separate tax must be computed for you and your spouse.

Line 18 — Missouri Withholding

Include only Missouri withholding as shown on your Form W-2(s), 1099(s), or 1099-R(s). **Do not include withholding for federal taxes, local taxes,**

city earnings taxes, or another state's withholding. Attach a copy of all Forms W-2(s) and 1099(s).

Line 19 — Estimated Tax Payments

Include any estimated tax payments made during 2005 and any overpayment applied from your 2004 Missouri return.

Line 20 — Property Tax Credit

Line 24 — Trust Funds

You may donate part or all of your overpaid amount or contribute additional payments to any of the trust funds listed on Form MO-1040P and/or any two additional trust funds.

Additional Trust Funds: If you choose to give to any of the additional trust funds, enter the two-digit code (see next page) in the spaces provided on Line 24. If you want to give to more than two additional trust funds, please submit a check directly to the fund. See www.dor.mo.gov/tax/trustfunds.htm for additional information.

SPLITTING YOUR INCOME

Missouri law requires a combined return for spouses filing together. A combined return means taxpayers are required to split their total federal adjusted gross income (including other state income) between spouses when beginning the Missouri return.

Splitting the income can be as easy as adding up your separate Form W-2s and 1099s. Or it may require more calculating by allocating to each spouse the percentage of ownership in jointly held property, such as businesses, farm operations, dividends, interest, rent, and capital gains or losses. State refunds should be split based on each spouse's 2004 Missouri tax withheld, less each spouse's 2004 tax liability. The result should be each spouse's portion of the 2004

refund. Taxable social security benefits must be allocated between each spouse's share of the benefits received for the year.

The worksheet below lists income that is included on your federal return, along with federal line references. Find the lines that apply to your federal return, split the income between you and your spouse, and enter the amounts on the worksheet. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040P, Lines 1Y and 1S.

Note: Remember, the incomes listed separately on Line 18 of this worksheet must equal your total federal adjusted gross income when added together.

Federal Privacy Notice

The Federal Privacy Act requires the Missouri Department of Revenue (department) to inform taxpayers of the department's legal authority for requesting identifying information, including social security numbers, and to explain why the information is needed and how the information will be used.

Chapter 143 of the Missouri Revised Statutes authorizes the department to request information necessary to carry out the tax laws of the state of Missouri. Federal law 42 U.S.C. Section 405 (c)(2)(C) authorizes the states to require taxpayers to provide social security numbers.

The department uses your social security number to identify you and process your tax returns and other documents, to determine and collect the correct amount of tax, to ensure you are complying with the tax laws, and exchange tax information with the Internal Revenue Service, other states, and the Multistate Tax Commission (Chapters 32 and 143, RSMo). In addition, statutorily provided non-tax uses are: (1) to provide information to the Department of Higher Education with respect to applicants for financial assistance under Chapter 173, RSMo and (2) to offset refunds against amounts due to a state agency by a person or entity (Chapter 143, RSMo). Information furnished to other agencies or persons shall be used solely for the purpose of administering tax laws or the specific laws administered by the person having the statutory right to obtain it as indicated above. (For the department's authority to prescribe forms and to require furnishing of social security numbers, see Chapters 135, 143, and 144, RSMo.)

You are required to provide your social security number on your tax return. Failure to provide your social security number or providing a false social security number may result in criminal action against you.

2005 MISSOURI SCHOOL DISTRICT NUMBERS

Your Missouri school district number **must be entered on your income tax return.** This information is supplied to the State Department of Elementary and Secondary Education and is used in determining the amount of state aid to your school district.

Enter the number of the public school district where your residence is located.

The Missouri public school district names and numbers are listed alphabetically by school district name. Generally, the name of your public school district is also the name of the city, town, or village where your public school is located.

Do not write the name of the school district on the return. Enter only the number of the district in the following list. For example:

 All public schools located in the City of Springfield are in "Springfield R-XII" School District, and number "475" should be entered in the space provided. • All public schools located in the City of Columbia are in "Columbia 93" School District, and number "098" should be entered in the spaces provided.

The following should be considered in determining your public school district number:

- 1. Determine your public school district at the time of completing your return.
- If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
- 3. If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
- 4. If you were a part-year resident of Missouri, enter the school district number of your residence while living in Missouri.
- 5. If you are a "nonresident" of Missouri, your school district number is "347".

If you are unable to determine your school district number from these instructions, call the public elementary or public high school of your school district.
